PRINTER,
1904.

TOWN WARRANT.

STATE OF NEW HAMPSHIRE,

ROCKINGHAM, S. S.

To the inhabitants of the Town of Londonderry qualified to vote in town affairs:

[L. S.]

You are hereby notified to meet at the Town House in said town on the second Tuesday of March next, at ten o'clock in the forenoon to act upon the following subjects:

1. To choose all necessary town officers for the year ensuing.

2. To raise and appropriate such sums of money as may be necessary for the support of schools, for the maintenance of the poor, for the repair of roads and bridges, for Memorial day, and for any articles embraced in this warrant.

3. To hear the report of Agents, Auditors, Committees and all other officers heretofore chosen and pass any vote relating thereto.

4. To see what sum of money the Town will vote to appropriate to defray the expenses of Old Home Day.

5. To see if the Town will vote to reconsider its vote passed at its annual Town meeting in 1894 declining to accept a legacy given to the town in the will of Zoe A. Flanders, deceased; and also to see what action the Town will take relative to the acceptance of said legacy.

6. To see if the Town will grant the citizens the right to set trees in Valley Cemetery without expense to the Town.

7. To see if the town will vote to raise the sum of one hundred dollars ($100.00) to build at the Town Hall a suitable shed with horse stalls for use of the town officers.

Given under our hands and seal this twentieth day of February, A. D., 1904.

FRANK E. AVERY,
WESLEY ADAMS
SIDNEY A. WEBSTER, } Selectmen of Londonderry.

A true copy of warrant attest:—

REPORT OF BOARD OF HEALTH.

During the past year Londonderry has been free from any serious epidemic of contagious diseases. Early in the year the whooping cough was quite prevalent in some sections, also chicken pox appeared in a few families.

No nuisances have been reported to this Board.

As the people of this town are mostly dependent on wells for water for household purposes, and as many of the wells are fifty or a hundred years old, we may be excused for calling attention to the fact that the short distance some of them are from barnyards, cellars and privies must in time render them more or less impure.

This condition in country towns is doubtless the frequent cause of cases of obscure illness, to say nothing of outbreaks of serions disease. Also lead in solution in the water is another cause of ill health. We speak of these matters so that those interested may investigate their surroundings.

The work of the State Board of Health in carrying out the provisions of the Pure Food Law is to be commended. The last issue of the Sanitary Bulletin contains much information of interest to all.

ANNUAL REPORT

OF THE

School Board

OF THE

TOWN OF LONDONDERRY

For the year ending February 15, 1904.

DISTRICT OFFICERS—YEAR 1903-4.

MODERATOR, DANIEL G. ANNIS.

CLERK, WILLIAM H. CROWELL.

TREASURER, WILLIAM H. CROWELL.

AUDITOR, SEDLEY A. LOWD.

SCHOOL BOARD.

MISS MABEL F. M. NEVINS, Term expires March 1904.

MRS. SARAH ANNIS, Term expires March 1905.

DANIEL G. ANNIS, Term expires March 1906.

TRUANT OFFICER, SIDNEY A. WEBSTER.

REPORT OF SCHOOL BOARD.

DANIEL G. ANNIS.

Another school year has been recorded, and we feel that some advancement has been made. If not all has been accomplished that might have been desired, we trust and believe that is for no lack of interest on the part of your committee in charge of the work. If the parents and citizens have come short of exerting that influence and support which is so important in maintaining the efficiency and advancement of our schools, may we still look for and receive that hearty sympathy and co-operation so much needed in the management of the public school.

All the schools in town have been in session thirty weeks during the year with the exception of No. 10, which had only twenty-four weeks, it being thought best to have no winter term in that district.

An examination of teachers was held in July at which most of our teachers took part, with generally satisfactory results. And there can be no doubt as to the great benefits derived from an exercise of this kind. We feel that the examination served as a needful stimulus in the school work for the remainder of the year, and that school boards would be justified in carrying out this annual examination as by law provided.

During the year your School Board made 75 visits in the

several schools in town, and we regret to add that some of these visits were not made for the regular inspection as to the good work done, but rather they were called in on account of some little irregularity in the conduct of the school, and such visits partake more of the nature of an investigation. In most cases of this character we are glad to note that the difficulties were readily overcome, and the sunshine quickly followed the storm. Yet better still were it, if the clouds had not risen. This again brings us to the great importance of union and harmony in the ranks of all true friends of education and the conduct and welfare of our common schools.

At the commencement of the spring term, Greenleaf's series of Arithmetic were introduced and adapted in place of those in use for the past ten years. The change has been heartily approved by both teachers and pupils.

A change in grammar might well be made next in order.

You will observe by the Financial Report that the appropriation for repairs of school houses has been exhausted by the ordinary repairs and the purchase of new seats for No. 3 and No. 6 houses, although the seats came too late to be of use the past term, it is expected they will be placed in the school rooms before the spring term begins. This completes the reseating of all the schools with the modern school seats thus rendering the home made plank seat "a thing of the past" in this town.
